And don't forget our handy [yarn store finder](#).

Our patterns are designed to give you beautiful results with a minimum of fuss! These pattern instructions are clear and concise — so you'll enjoy your knitting without trying to interpret complex and confusing directions.

Other features make Momogus Knits patterns unique. Each pattern offers more than one design option — which means that the same pattern can be used over and over. And, as part of our commitment to making life simple, each age group's designs — for babies, for kids, and for adults — are written at the same gauge. That means the yarn you buy for a sweet baby cardigan can be used to make a matching hat. No more unused leftovers or futile searches for matching patterns!

Knitting is enjoyable — we're here to help.
